German-Ukrainian Youth Exchange in Halle/ Saale from 12-22.06.2023

You live in Germany, are between 18 and 35 years old and would like to learn more about the effects of the war in Ukraine? Or you had to flee Ukraine and now live in Germany and would like to share your personal story?

With this youth exchange, we want to offer young adults from Ukraine, refugee Ukrainians and young adults from Germany the opportunity to deal with the effects of the war on themselves and on their society of origin.

You will have the opportunity,

- to share and listen to personal experiences
- to learn the basics of conflict management strategies and non-violent communication
- create (self-)awareness of how you want to live in a global society
- and finally to express your experiences artistically

The seminar is accompanied by two experienced seminar leaders. There are no participation fees. Catering will be provided during the seminar. The artistic works will be shown as part of an exhibition in Halle.
